## Canadian Computing Competition Concours canadien d'informatique

This Results Booklet contains statistics about the contest and an honour roll mentioning top performing participants in the CCC Senior contest.

Ce livret de résultats contient des statistiques sur le concours ainsi qu'un palmarès mentionnant les personnes participantes les plus performantes au concours CCI de niveau supérieur.

Student Honour Roll Palmarès des élèves	

- The **Student Honour Roll** consists of high-scoring official participants from the CCC Senior contest who consented to be publicly recognized.
- The names of some participants with sufficiently high scores do not appear on the Honour Rolls later in this document. In each case, this is because the participants were either unofficial or opted out of having their names displayed. The CEMC does not change these statuses after the fact.
- The **Student Ranking List** provides the scores and corresponding ranks of official participants from Canada and internationally.
  
- Le **palmarès des élèves** se compose des personnes participantes officielles du CCI de niveau supérieur ayant un score élevé et qui ont consenti à être reconnues publiquement.
- Les noms de certaines personnes participantes ayant obtenu des notes suffisamment élevées ne figurent pas sur les palmarès plus loin dans le document. Dans chaque cas, cela s'explique par le fait que les personnes participantes ne soient pas officielles ou ont choisi de ne pas avoir leur nom affiché. Le CEMI ne modifie pas ces statuts après publication.
- La **liste du classement des élèves** fournit les notes et les rangs correspondants des personnes participantes officielles du Canada et de l'étranger.
