- The top five official participants in Canada are **Student Champions**. They receive plaques, and a prize of \$500 at the discretion of the CEMC. Each of the next top ten official participants in Canada receive a prize of \$200 at the discretion of the CEMC.
- The **Student Honour Roll** consists of high-scoring official participants who consented to be publicly recognized. There are two such lists - one for Canadian participants and another for International participants.
- The names of some participants with sufficiently high scores do not appear on the Honour Rolls later in this document. In each case, this is because the participants were either unofficial or opted out of having their names displayed. The CEMC does not change these statuses after the fact.
- The **Team Honour Roll** consists of schools that achieved the highest Team Scores and consented to participate in the Team Competition.
- A school's **Team Score** is the sum of its three highest-scoring official participants' scores.
- Schools are automatically entered into the Team Competition unless they opted out on the Supervisor Response Form. If your school opted out, your school will not be mentioned in the Team Honour Roll section.
- The CEMC awards a **National Championship Plaque** to the school(s) with the highest Team Score.
- The **Student Ranking List** provides the scores and corresponding ranks of official participants from Canada and internationally.

- Les cinq meilleures personnes participantes officielles au Canada sont les **élèves champions** qui reçoivent une plaque, et un prix de 500 \$, à la discrétion du CEMI. Les dix autres personnes suivantes participant officiellement au Canada ayant le plus haut score reçoivent chacune un prix de 200 \$ à la discrétion du CEMI.
- Le **palmarès des élèves** se compose des personnes participantes officielles ayant un score élevé et qui ont consenti à être reconnus publiquement. Il y a deux palmarès : un pour les personnes participantes au Canada et un autre pour les personnes participant en dehors du Canada (International).
- Les noms de certaines personnes participantes ayant obtenu des notes suffisamment élevées ne figurent pas sur les palmarès plus loin dans le document. Dans chaque cas, cela s'explique par le fait que les personnes participantes ne soient pas officielles ou ont choisi de ne pas avoir leur nom affiché. Le CEMI ne modifie pas ces statuts après publication.
- Le **palmarès des équipes** est composé des écoles qui ont obtenues les notes par équipe les plus élevées et qui ont consenti à participer à la compétition par équipe.
- Un **score d'équipe** d'une école correspond à la somme des notes de ses trois personnes participantes officielles ayant obtenues les notes les plus élevées.
- Les écoles sont automatiquement inscrites à la compétition par équipe, sauf si elles ont choisi de ne pas y participer en le précisant sur le formulaire de réponse du surveillant ou de la surveillante. Si votre école a choisi de ne pas participer, elle ne sera pas mentionnée dans la section du palmarès des équipes.
- Le CEMI décerne une **plaque de championnat national** à la ou aux écoles du Canada ayant obtenu le meilleur score d'équipe au concours.
- La **liste du classement des élèves** fournit les notes et les rangs correspondants des personnes participantes officielles du Canada et de l'étranger.
