Student Honour Roll
Palmarès des élèves

- Each **School Champion** — the top scorer at their school who meets the medal cutoff — receives a Contest Medal, at the discretion of the CEMC. In the event of a tie, two medals are awarded.
 - The **Student Honour Roll** consists of high-scoring official participants who consented to be publicly recognized. There are two such lists - one for Canadian participants and another for International participants.
 - The names of some participants with sufficiently high scores do not appear on the Honour Rolls later in this document. In each case, this is because the participants were either unofficial or opted out of having their names displayed. The CEMC does not change these statuses after the fact.
 - The **Team Honour Roll** consists of schools that achieved the highest Team Scores and consented to participate in the Team Competition.
 - A school's **Team Score** is the sum of its five highest-scoring official participants' scores.
 - Schools are automatically entered into the Team Competition unless they opted out on the Supervisor Response Form. If your school opted out, your school will not be mentioned in the Team Honour Roll section.
 - The CEMC awards a **National Championship Plaque** to the school(s) with the highest Team Score.
 - The **Student Ranking List** provides the scores and corresponding ranks of official participants from Canada and internationally.
-
- Chaque **championne ou champion d'école** (la personne ayant la note la plus élevée de son école, dont la note atteint la note de passage pour la médaille) reçoit une médaille du concours, à la discrétion du CEMI. En cas d'égalité dans l'école, deux médailles sont décernées.
 - Le **palmarès des élèves** se compose des personnes participantes officielles ayant un score élevé et qui ont consenti à être reconnus publiquement. Il y a deux palmarès : un pour les personnes participantes au Canada et un autre pour les personnes participant en dehors du Canada (International).
 - Les noms de certaines personnes participantes ayant obtenu des notes suffisamment élevées ne figurent pas sur les palmarès plus loin dans le document. Dans chaque cas, cela s'explique par le fait que les personnes participantes ne soient pas officielles ou ont choisi de ne pas avoir leur nom affiché. Le CEMI ne modifie pas ces statuts après publication.
 - Le **palmarès des équipes** est composé des écoles qui ont obtenues les notes par équipe les plus élevées et qui ont consenti à participer à la compétition par équipe.
 - Un **score d'équipe** d'une école correspond à la somme des notes de ses cinq personnes participantes officielles ayant obtenues les notes les plus élevées.
 - Les écoles sont automatiquement inscrites à la compétition par équipe, sauf si elles ont choisi de ne pas y participer en le précisant sur le formulaire de réponse du surveillant ou de la surveillante. Si votre école a choisi de ne pas participer, elle ne sera pas mentionnée dans la section du palmarès des équipes.
 - Le CEMI décerne une **plaque de championnat national** à la ou aux écoles du Canada ayant obtenu le meilleur score d'équipe au concours.
 - La **liste du classement des élèves** fournit les notes et les rangs correspondants des personnes participantes officielles du Canada et de l'étranger.

The Centre for Education in Mathematics and Computing is pleased to announce the results of the 2026 Fryer, Galois and Hypatia Contests. Our congratulations go to all who participated.

Le Centre d'éducation en mathématiques et en informatique est heureux d'annoncer les résultats des Concours Fryer, Galois et Hypatie 2026. Nos félicitations vont à toutes les personnes participantes.
